## **ESN MISSION**

---

Episcopal School of Nashville is a diverse, urban, and independent school dedicated to nurturing the joy of learning and the spirit of discovery in each of our students.

## **ESN VISION**

---

To shape students who are intellectually, spiritually, and responsibly engaged with the place, community, and world they call home.

## **ESN ABOUT US & HISTORY**

---

The Episcopal School of Nashville (ESN) is a 3K-8 diverse, urban, and independent school dedicated to nurturing the joy of learning and the spirit of discovery in each of our students. ESN is affiliated with the National Association of Episcopal Schools (NAES) and the National Association of Independent Schools (NAIS). We secured our inaugural accreditation through the Southern Association of Independent Schools (SAIS) in 2023. Rooted in inclusivity and compassion, we're dedicated to ensuring every child who walks through our doors is treated with love and respect. We don't merely develop test-takers; we shape the next generation of compassionate, well-rounded leaders who will be equipped with the skills, knowledge, and motivation to succeed at the finest high schools in Nashville.

We opened our doors in the fall of 2015 to 16 students in two modular buildings in the parking lot of St. Ann's Episcopal Church. Starting with combined Grades PK/K and 1/2, ESN added a grade level each subsequent year, quickly outgrowing our original location. In the summer of 2019, we moved to the historic Ross Elementary School on Ordway Place. The move helped us successfully navigate the COVID-19 pandemic and continue to grow. Our Head of School, Dr. James Jordan, joined us in July 2021. Since that summer, we've grown from 107 to over 150 students. With your help, we look forward to continuing to serve our mission and vision!

## **PALOOZA HISTORY**

Formerly known as The Lobster Bake, which began in the spring of 2016, the Purple Martin Palooza is Episcopal School of Nashville's largest annual fundraiser. Each year is a different theme focused on fun and fellowship. Our primary goal is raising money for the school while bringing the community together for a great time.

The goal is to raise \$125,000 through sponsorships, ticket sales, and silent and live auctions.

This year's theme is...

This year's theme is *Havana Nights*! We'll spend a magical evening together celebrating Cuba's vibrant culture through food, decor, and entertainment. All the while, we'll be ensuring the young minds of our city have the best environment possible to nurture their minds and spirits.
